

# TESTIMONIALS

*When I started the  
takeaway I had a very  
small budget.  
GlobalInfo quoted me  
a low price and Syed  
told me the best  
things I could do with  
the money I had at the  
time. Now the website  
works for me  
everyday, and so I pay  
him whatever he  
asks!”*
